

# Welcome to American Collectors Insurance as the Official Collector Insurance of Bloomington Gold!

**Bloomington Gold** is proud to announce that **American Collectors Insurance**, one of the nation's leading providers of classic and collector car insurance, is its new Official Collector Car Insurance Partner. **American Collectors Insurance** will make its debut at the **Bloomington Gold** event June 18 & 19 at Lucas Oil Stadium.

**American Collectors Insurance** has been offering coverage for Corvettes since 1976 — a time when no other insurance companies considered Corvettes eligible for collector car insurance.

"Thinking back to when I owned my first Corvette, **American Collectors Insurance** was the go-to company for classic and collector car insurance," said Guy Larsen, **Bloomington Gold** President. "Now, 45 years later, they are still market competitive, which says a lot about the company's commitment to collectors. **American Collectors Insurance** is the perfect company to partner with as the Official Collector Car Insurance Partner of **Bloomington Gold**."

As the highest customer-rated customer service provider in collector car insurance, **American Collectors Insurance** provides innovative insurance products tailored for the entire collector community, not just our beloved Corvettes, but also Collector and Classic Cars, Specialty Collectibles, Custom Cars, Hot Rods, and Antique and Classic Motorcycles.

**American Collectors Insurance** offers flexible, tailored coverage based on the specific vehicle being protected vs. the popular one-size-fits-all policies that other companies offer. Specialists from **American Collectors Insurance** will be at the upcoming 2021 event, located inside the stadium by the Gold Collection. This will be a great opportunity for attendees to ensure that what's in their garage is properly protected with an Agreed Value insurance policy. Attendees can also find out more about **American Collectors Insurance** by visiting [americancollectors.com](http://americancollectors.com).

**American Collectors Insurance** will be located on the concourse, by the Gold Collection during **Bloomington Gold**!
