

A New Venue for Certification Judging is coming January 2024!

Bloomington Gold Corvettes will host Certification Judging in Kissimmee, Florida January 2024. Scheduled for January 9 & 10, Gold Certified®, SURVIVOR® and Benchmark® judging for Corvettes of all generations will be offered to owners.

The two days of judging will be held during the Mecum Kissimmee auction so that it allows owners and judges the opportunity to attend the Mecum auction as part of their weekend in Kissimmee.

2024 will not be the first time that Bloomington Gold has held certification in Florida. Certification judging was held in Kissimmee January 2021 when Bloomington Gold was unable to hold their October event in Charlotte due to Covid. Registration for Kissimmee will open in the coming weeks. It is also noted that Kissimmee will replace the Charlotte event in 2024.

In addition to Kissimmee, Bloomington Gold also holds Certification Judging as part of their National Car Show in June in Bloomington, IL.
